THE WEDDING SHOW AT THE RDS IN ASSOCIATION WITH AURALIA

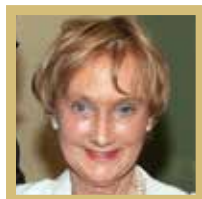

The Wedding Show at the RDS in association with Auralia is the largest, most exciting and diverse wedding showcases in Ireland. Taking place twice a year, this is the perfect opportunity to plan your dream wedding and honeymoon. A unique opportunity to talk with hundreds of expert wedding suppliers across every category imaginable from cakes to décor, bridalwear to entertainment, Irish and destination venues and all things finance and planning, all under one roof!

In 1989, I founded Wedding Exhibitions Dublin ("W.E.D.") and launched the Bride of the Year Show, and later the Wedding & Honeymoon Show, in response to requests from Wedding professionals and hotels to create a larger platform where they could promote their businesses. I am so proud that our events continue to this day and look forward to our September 2026 edition of The Wedding Show at The RDS.

I am also delighted to continue our relationship with EventHaus, as event organisers of the W.E.D. flagship events. The appointment of EventHaus as event organiser has brought a new era for The Wedding Show at the RDS. EventHaus continue to develop our two Wedding Showcases and I'm excited to see our events flourish and grow under their care in the future.

We are tremendously proud to have built these family-owned events into Ireland's most successful and best-loved wedding exhibitions, and we look forward to growing the shows in partnership with EventHaus and you, our guests.

I would like to take this opportunity to thank all our Sponsors, Exhibitors and Partners who have supported our shows over the years, and I wish all our visitors a fun-filled day at the show.
